

GROUNDWORKER APPRENTICESHIP (LEVEL 2)

We are a growing stonework and landscaping business based near Penrith. We are seeking apprentices to join our small friendly team to work and train on a variety of landscaping and construction projects. You will become proficient in a range of skills including but not limited to setting out; mixing and using mortars and concrete; use of tools and equipment; digging and forming foundations; kerbing, paving and edging; installing ironworks; construction of access roads, paths and driveways; locating and safe excavation near utility services; acting as banksman to vehicle and plant operatives. You will be mentored by the business proprietor. You will attend college or an equivalent training provider. Opportunities for training in related skills, such as operating construction plant and walling, may also arise. These are long term positions with the intention that you will continue to work in the business upon successful completion of your training.

REQUIRED SKILLS AND QUALIFICATIONS

- Reliable and eager to succeed.
- Comfortable working in a small team.
- Adaptable to the needs of both work and training.
- A minimum of 3 GCSEs at grade 4 or above, including Maths and English.
