UCC Wolves Win the National Clubs Championship!

"The UCC Wolves Senior squad had trained for 2 years and sadly due to Covid their competition had been cancelled. This did not deter the cheerleaders who never missed a training session and finally on the 4th December they were given their chance to shine at the UKCA Cheerleading Championships.

The girls wowed the judges on the day and performed the routine with zero deductions. They hit every stunt with perfection, their tumble was flawless and they danced with so much energy. The UCC Wolves won their category, making the UCC Wolves the National Champions at Level 2."

Sixth Form Vs Year 7

Favourite sports moments!

Sixth Form

Jamie, skateboarding:

It was a 9-block jump. He failed many times. Got mass bruises. But he never gave up! On the ninth attempt he did it. The whole skatepark cheered. He had done it.

Ben, hockey:

"Never give up". It was a short corner and the puck came towards him at speed. BOOM! He hit the puck with force, straight into the top corner, scoring a goal.

Sixth Form

Harry Godfrey, football:

In primary school the best part of the day was football at lunch (we all know it). It was a penalty. I dived to the top corner... the ball came rushing at me. I did it! I had saved the penalty.

Josie, hockey:

It was my first hockey match ever with UCC. It was against QUEGS. I ran up, whacked the puck and hit it straight into the goal!

Christmas Songs

As it's nearly Christmas, what better to do than discuss Christmas songs!

Most Played Christmas Song:

According to the Guinness Book of World Records "White Christmas" by Bing Crosby is the best-selling Christmas single of all time with 50 million sales estimated worldwide.

Britain's Top 3 Songs:

Fairytale Of NewYork - The Pogues
Last Christmas - Wham!
Merry Xmas Everybody - Slade

Christmas Number 1s:

Everyone wants to know what will be the No. 1 at Christmas. In 2020 it was LadBaby - "Don't Stop Me Eatin'" (a song about his love for sausage rolls, with all the record sales going to The Trussell Trust, a food bank charity) LadBaby also had two previous Christmas No. 1's! In 2019 it was "I Love Sausage Rolls" and in 2018 it was "We built this city on sausage rolls."

Christmas Albums:

A lot of song artists release their albums just before Christmas, this year is no exception! With Adele releasing her "30" album and "=" from Ed Sheeran. Some artists release specific Christmas albums like Gary Barlow with "The Dream of Christmas". Rather than a full album, some artists only release a Christmas song like Ed Sheeran and Elton John's "Merry Christmas" which is out in the charts now!

Merry Christmas! We hope this has got you in the festive mood! My favourite Christmas song is "Last Christmas". What's yours?
