

We are currently seeking applications for an **Architectural Apprentice** to join our Carlisle based architectural practice

ABOUT THE POSITION

We are looking for candidates with A level or equivalent qualifications. You will be enrolled on the Architectural Technology degree course at UCLAN, Preston, spending 1 day a week in the classroom and the remaining time being based in our office undertaking "on the job" training. Your course fees for the duration of the 5 year degree will be paid through the Government's Apprenticeships scheme and you would be starting the course in September 2022.

ABOUT YOU

The right attitude is far more important to us than any specific skills, however, an interest in design and technology would be a distinct advantage. If you are interested please send a brief personal statement with samples of design work you have completed to: **ap@architectsplus.co.uk**

Deadline for receipt of applications: 5.00pm, Friday 1st July 2022
