

Sixth Form Bulletin

ISSUE 1 February 2023

UCAS Update

Applications to universities closed on the 25th January, however it is still possible to apply, ask for help at the sixth form office if this applies to you. We sent 58 applications this year and currently 127 different offers have been made. Sarah Crotty from UCLan is coming to UCC on the 16th February to discuss Student Finance applications with Year 13.

Apprenticeship Update

The Sutton Trust Apprenticeship Summer School is a three-day residential where students can meet leading employers and like-minded peers, and learn more about how to access top apprenticeships. Applications for this opportunity are open online but close on the 10th March. Further details are on the Year 12 Google Classroom.

Wellbeing Champions

The Sixth form Wellbeing Champions received their badges last week in assemblies. Trained by Louisa Waite, a qualified and experienced Occupational Therapist, the champions have written biographies of themselves and have been paired up with younger students who are finding life difficult. This long-term project is already having a positive impact on both the students and the champions themselves.

Tutor Periods

We welcomed Helen Goad, Hypnotherapy Works earlier this month during tutor periods. She gave a talk to both year groups entitled 'My Brain and Anxiety', how to recognise signs of stress and the science behind coping mechanisms.

Mock Exams

Year 13 mock exams take place during the week 6th - 10th February. The timetable for these exams and the external summer exams, can be found on the Year 13 Google Classroom.

The Childcare and Education students have created a department TikTok, showcasing life as an Early Years student. Search 'EarlyYearsUcc' to find it.

vision: **BEST in County**

Ambitious

Caring

Equal

UCC is an ambitious, caring community where everyone is equal
